naturally SUPERNATURAL

with Christy Wimber

using the gifts of the Spirit in our everyday lives

Sunday 12th February 2012 // 7:30pm
Taunton's College // Southampton

Naturally what?

The New Testament is full of signs and wonders, people being healed and even rising from the dead. The same Holy Spirit who empowered the early church lives in us, and we want to learn to let Him use us more and more in our everyday lives – to be Naturally Supernatural !

About Christy Wimber

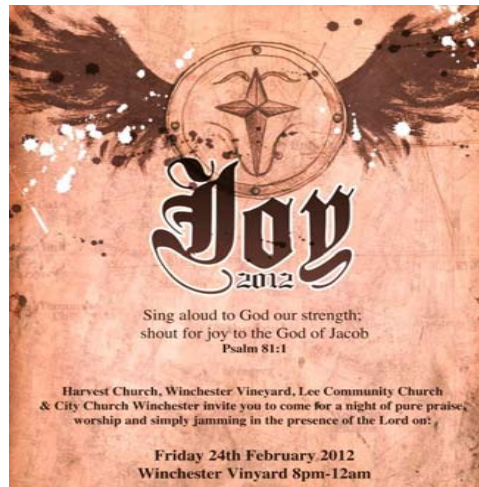

We're delighted to have Christy Wimber with us for the evening. Christy and her husband, Sean, are pastors of the Yorba Linda Vineyard in Southern California. They have been working for many years taking teachings from John Wimber (the founder of the Vineyard Church movement) and making them available for the larger church.

How to find us!

The event will be held at **Taunton's College, Hill Lane, Southampton SO15 5RL** (the Sunday home of Mercy Vineyard Church). There's a map available at www.mercyvineyardsouthampton.com.

Other info

The evening starts at 7:30pm (doors open 7pm) and is free of charge. There's no need to pre-book. If you do have any questions or would like to get in touch, please contact the Mercy Vineyard office at 023 8046 3516 or admin@mercyvineyardsouthampton.com.
