THE PRESENCE OF THE FATHER

with teams from Global Legacy and Catch the Fire UK
Joint Conference hosted by Winchester Vineyard
Friday 23 - Saturday 24 March 2012

We are thrilled to welcome back Paul & Sue Manwaring (Global Legacy) and Stu & Chloe Glassborow (CTF UK) for what promises to be an awesome weekend pursuing 'The Presence of the Father'. Both these couples have significant ministries in equipping the church to grow in the knowledge and experience of the Father's love

The conference is open to anyone and our desire is to enable as many people as possible to experience the presence of God through worship, teaching and ministry. No matter where you are on your journey of faith, we know you will encounter the Father's love in deep and life-changing way. We look forward to welcoming you...

PRAYING FOR THE PEACE OF JERUSALEM

Thursday 23 February - 7.30 - 9.30 pm - Youth Cafe @ Winchester Vineyard

'Your kingdom come, your will be done, on earth as it is in heaven' - Matthew 6:10

Praying God's word is powerful!

- It reveals God's will and purpose for situations in our world
- It enables us to pray in faith according to God's will
- It empowers us to use the sword of the Spirit effectively against principalities and powers

Please join us in asking God to give us prophetic insight into His purposes for Israel and her neighbours in the Middle East. All are loved by God and mentioned often in the Bible. Each has a prophetic destiny in God's Kingdom. For more information ring Caroline Lushington on 01730 829485 or Hilary Nicholson on 01962 713433

Host an Olympic Family

An initiative to find volunteers who will provide free accommodation for the family members of 2012 games competitors has been launched. This is in response to the high cost of hotel accommodation this summer when prices are expected to at least double. Without this opportunity, many family members of athletes would otherwise be unable to attend and give their support

More Than Gold, the agency set up by all the main denominations to help churches engage with the 2012 Games, unveiled their Athlete Family Homestay Programme on Monday 7th November

Prospective volunteer hosts can find more details at www.morethangold.org.uk/homestay
