

ABOUT US

AT THE HEART OF JESUS MINISTRY INTERNATIONAL

Luke 4:18-19 "The Spirit of the Lord is on me, because he has anointed me to preach good news to the poor. He has sent me to proclaim freedom for the prisoners and recovery of sight for the blind, to release the oppressed, to proclaim the year of the Lord's favor."

John 20:21 Jesus said to them again, "Peace be with you. As the Father has sent me, even so I am sending you."

It began...

At the heart of Jesus Ministry International is the belief that God is still reforming His Church, continuing the work He began centuries ago. This is not mere theory but from a context of 25 years as a senior pastor.

Sixteen years into our pastorate at Clover Creek Bible Fellowship (now Destiny City Church) God dramatically invaded and began a radical transformation process in me and CCBF. He unleashed His power and presence in ways that resembled the ministry of Jesus in the gospels and the Early Church in the book of Acts. Needless to say it shook us as a church.

He took a typical, American, non-denominational, conservative, Word-based, growing church (170 to 1,700 in 7 years) and challenged all of our convention and comfort. Through miraculous healings, people set free from demonic torment, and a release of sound prophetic ministry God drove us back to the Scriptures teaching and challenging us on many things. Fundamentally He challenged us on His true mission for His Church.

In summary, it is to live the very life and ministry Jesus modeled for His Church and the Early Church demonstrated. Jesus Ministry International is about serving the Church in recovering its mission and the power to live out the life and ministry of Jesus to a broken world.

But God had plans of His own.

We believe the Church is God's only design for a true redemptive solution in this broken world. And we can only present that solution in His love and power.

WHAT WE DO

1. Committed to Church Reformation

To help churches and ministries recover a vision and positive anticipation to experience the works and ministry of Jesus as modeled in the gospels and demonstrated in the Early Church. SOME WORDS FROM OUR FRIENDS

"I found the pastors/leaders track helpful in restoring and recapturing the vision of what the Church has been designed to 'walk in'. That Jesus' ministry is the starting point. It helped me to process and have new vision for the Church to function....The overview input has been fantastic! . . . I go from here encouraged, envisioned, equipped and most of all excited at all the Lord wants to do in and through ME!!!"

- Carole V., England

"The pastors/leaders track clarified the mission and the tools and how not to confuse the two... This ministry has opened my heart, cleansed, renewed and transformed my mind and will. It also has equipped me to get back to "normal" as described in the Gospels to do Jesus' Ministry."

Bob G., USA

"I should have heard this at seminary (theological college)! I have been unclear about the purpose of my ministry and the Church's calling – and did not even know I was unclear. This has been completely orthodox and yet completely revolutionary – I hope and pray I will never be the same again!"

- Jeremy V., England

"I was struck by what is the "Norm" that Jesus had in mind for the Church to function in... Obedience does not depend upon understanding and always proceeds power."

- Chuck M., USA

"The practical hands on training for healing prayer were a great highlight! The teaching on discernment was validating to me and spoke to me as why I was here at the Jesus' Ministry conference....

The snacks, tissues, breaks, dinners, water, and greeters was love beautifully expressed!"

- Victoria A.

"It was an opportunity to learn more in regards to the healing powers the Lord has given us. This pastors/leaders track has increased my faith and trust in the Lord!"

- Ray C., USA
